Thank you sooooo much for wanting to give your readers a downloadable (and even printable) pdf of your Author Booklist.

These are simple templates, with no embellishments, just the basics of what you'd need on a downloadable pdf.

Here's a link to get a [Google Document](#).

Or a [Canva Template](#)!

You don't need to have a paid account from Canva to access this template, but you do need a free account. You'll need to create one if you don't have one already.

As a reader, I thank you for giving your readers the option of having a download pdf of your Author Booklist!
