

THANK YOU!!

Thanks for Signing Up!

I'm soooo glad you're here.

You just grabbed something that's going to make your author journey a lot easier - and a lot more reader-friendly.

Below you'll find your download links. Open. Save. Get started. Use it however you need. This resource is designed to help you build momentum, stay organized, and finally give readers the kind of experience that brings them back for sure.

Your download links:

[Click here to access the Canva template](#)

[Click here to access the Google Docs template](#)

[Click here for the Microsoft Word template](#)

If you ever misplace this PDF, don't stress - you can always come back to this link in your email.

Need help or have a question??

If something isn't clear, or you get stuck, or you want to know how to use this inside your own reader magnet funnel or content ecosystem, reach out. I answer my own emails and I genuinely want you to get the most out of this.

Email me anytime here: contact@shentalhenrie.com

One last thing...

Keep an eye on your inbox. I'm sending a short series of emails that show you how to use this resource strategically - not just download it and forget it. These walkthroughs will help you set things up the right way so your readers actually use what you create.

Have fun [👑]creating!
